## Financial Aid Application

### C A D C E D E

The Rivers School Conservatory awards financial aid on the basis of need. Awards are contingent upon the thorough and prompt completion of the financial aid application process. **Please note that failure to complete the following steps below can jeopardize a student's potential to receive financial aid.**

Decisions are made by a standing committee comprising the Director of The Rivers School Conservatory, the Business Manager, Director of Finance & Operations (or his designee), and representatives of the faculty. To ensure equitable distribution of funds, all applicants must fill out the attached application **completely** and provide copies of the required supporting documents. Feel free to provide supplemental information for any sections that require special explanations. Incomplete or inaccurate applications will jeopardize accurate and adequate distribution of funds.

Complete the enclosed Financial Aid Request Form and send to:
